Prayer was voiced by Mrs. O'Neal. The President's recommendations were presented and the manner of raising the special Fund this year was discussed. It was agreed unanimously that we endorse Mrs. O'Neal's recommendation to continue our plan as of last year in raising the special fund, and that it shall be called "The New Crusade Fund" instead of "The Jubilee Fund."

Meeting adjourned at 12:15.

**OFFICIAL BOARD**

The pre-convention of the Official Board was held in an assembly room of the Court Street Methodist Church, at 2:00 o'clock P. M. Vice-President Mrs. Rosamond Davis offered a prayer for guidance.

Roll-call by Recording Secretary Mrs. H. F. Henrichs, showed state officers present, five; county presidents present, forty. Ten of the new seventeen county presidents were present and introduced, giving their name and county.

The subject of State Reports and Handbooks was discussed. Mrs. O'Neal stated that a loss of over \$1370.00 was sustained this year, because of the failure of local and county officers to buy them. A motion was made by Mrs. D. R. Wood of Peoria that all presidents send an order for 4 state reports and 4 handbooks to the state office, \$2.00 to accompany the order. Motion seconded and carried. It was moved by Mrs. Palmer, seconded and carried that 1,000 state reports be printed for this year.

Mrs. O'Neal announced that National had added a new department, that of "Honorary Members," and that the states were asked to also adopt this department. It was moved by Mrs. Beatrice Tormohlen, seconded and carried that Illinois shall have a state director, also county and local directors for this department.

The national plan of raising the New Crusade Fund was presented by Mrs. O'Neal. It was moved, seconded and carried that Illinois agree to raise money for this Fund by the same plan as used last year for the Jubilee Fund, 20% to local; 20% to county; 40% to state and 20% to national. All money raised this year for this Fund will apply on the \$25,000 goal of last year.

Mrs. O'Neal stated that 4,522 new members had been added this year.

Mrs. Palmer announced that part of the deficit of The White Ribboner is due to the fact that the mailing list contains several hundred names of women who are not receiving the paper. She urged strongly that each local Union send to her a perfect list of living, paid-up women members.

Mrs. O'Neal announced that Illinois ranked 4th in membership, and 4th in money raised, among all the States as reported at the national convention.

The new book, "Where Prayer and Purpose Meet," was mentioned by Mrs. O'Neal, and each local Union urged to buy a copy.

After discussion, Section 5 of Article IV was amended to read: "All money received by the state treasurer after September 30, shall be returned to the county treasurers, who shall return it to the local treasurer," instead of being "credited to the special White Ribboner Fund," as proposed by the revisions committee.

# Report of Finance Committee

## Dues — Roll Call

We recommend a systematic and concerted effort for observance of our annual November Roll Call for payment of dues. This is a basis for financial support of the Local, County and State organizations.

## Membership

This year we should redouble our efforts to enroll the children and youth. Every Christian woman should be invited to join the W.C.T.U.

## Honorary Members

We recommend that husbands, sons, brothers and gentlemen friends be invited to become honorary members and thus help the union raise their budget.

## Life, Memorial — Continuing Members and Star Beams

We recommend that Life and Memorial and Continuing and Star Beam memberships in the Illinois WCTU be stressed and the names of such members be printed in the Annual State Report Book. These memberships help to carry on the general work as well as to honor those who are enrolled. Life Memberships are \$10.00, Continuing Memberships are an additional \$15.00 so when this member passes away the name is placed on Memorial list; Memorial Memberships are \$15.00; by the payment of \$25.00 Life and Memorial memberships will have name placed in Book of Gold; Star Beam memberships are children up to 6 years of age and this is \$5.00. A certificate will be sent to these and the names printed in Annual Report Book.

## FUNDS

We urge each Union to continue raising money for the Special Fund, which was known last year as the "Jubilee Fund," but which this year will be called the "NEW CRUSADE FUND." The goal of \$25,000 which was set last year, was not nearly reached, so we are to continue toward that goal this year, each Union and County to set a goal for themselves, and work hard to reach it. The division will be the same as last year; 20% (or one-fifth) kept in the local treasury; the same AMOUNT kept in the County treasury; 40% (or two-fifths) kept in the State treasury; and 20% (or one-fifth of what the local raised) sent to the National treasury. Thus: a local Union raising \$50, would keep out \$10 and send \$40 to the County; the County would keep out \$10 and \$30 to the State; the State would keep out \$20 and send \$10 to National. We recommend that we continue the "White Ribboner Fund" in each Union to help clear and keep clear the deficit caused by the increased cost of printing.

We recommend that all Unions pay the three regular funds: State Legislation, \$2.00 or more; Willard Memorial, \$2.00 or more; Stevens Legislative, \$1.00 or more.

From the money kept in the local treasuries, each Union should contribute something to the "Rehabilitation Fund" to be used in hospitals where our service men are recovering from the effects of war. This money must be designated "Rehabilitation" by the local and county treasurers.

There will be no mile-of-quarters funds this year. However, those who wish, may use the rulers as a plan for raising the special "New Crusade Fund."

Any money raised or given directly for the Emergency Fund, should be sent through the local and county treasurers without keeping out any of it. The state treasurer will place all money thus sent to her in the special Emergency Fund.

#### STATE REPORTS AND HANDBOOKS

We urge each local Union to purchase 4 Reports and 4 handbooks to be given to the four officers, for the price of \$2.00. The order for these with the money accompanying the order should be sent to the state treasurer, Mrs. Bessie Barr, 189 West Madison Street, Chicago, early in November. Single handbooks, 10 cents; single state reports, 50 cents.

# PRESIDENT'S ADDRESS

By MRS. W. B. O'NEAL

"For if thou altogether holdest thy peace at this time, deliverance will come from another place, but thou and thy father's house shall perish. Who knows but thou are called to the kingdom for such a time as this?" Esther 4:14.

The occasion of this pronouncement is a story familiar to all of us. The wicked, drunken, licentious old King Ahasuerus, when his heart was merry with wine, had decreed all the Jews must be killed.

The young and new Queen Esther had been told by her Uncle she must intercede with the King for her people. She expressed fear she might lose her life if she interfered with the King's commands.

Esther had been carefully trained by her Uncle, schooled in the faith, sacrifices and traditions of her people. She agreed to take the risk. She called all the people to prayer and fasting. Always it depends as much on the way the people respond as the leader. In this story the people fasted and prayed while Esther, at the risk of her life, went before the King and saved her people. Esther came upon the scene 485-465 B.C. But a day is as a thousand years and a thousand years as a day in God's time.

In the years between 1839 and 1898 there came another leader called for her time. As did Esther, Miss Willard after days of fasting and prayer, weighing the cost, made her commitment.

When God calls anyone to a position of responsibility and leadership, He prepares them in advance.

Some one has said to have a perfect child one must begin with the grandparents. Miss Willard's ancestors were all that might be asked. She had Christian culture and education directed by wise, far-seeing parents. Added to this, God had endowed her with a sweet persuasiveness of character, of oratory, and a personal magnetism that qualified her for leadership. Two years' travel abroad at a time when Queen Victoria was bringing her ideals of righteous living in England helped to enlarge her vision.

Here in America the great religious fires of pre-civil war days had left embers still burning. The whirlwind of the Lord started at Hillsboro, Ohio, still fresh in the minds of the people; we believe it was the time God planned.

Traits of leadership revealed themselves in Miss Willard's childhood. She enjoyed most the games where there was need for strategy, and always had a knack for circumventing opposition. During her college days she found many outlets for developing leadership.

One of the many issues before the people at this time was woman suffrage. Miss Willard headed the vanguard of those called the "strong minded" who believed "representative" meant women as well as men. In her last address she said, "It is not improbable that the chief value of the little work we do here, or have tried to do on this small planet, lies in the fact that we have to some extent attempted it. We have become inured to contradictions, and we may be useful to those who toil in the future, or we may be waging battle for God upon some distant planet."

Miss Willard might have walked the beaten path,  
made smooth by countless feet;  
Instead, she chose the rough, unchartered wilderness  
where duty led;  
She chose to blaze a strange new trail from out  
the maze,  
And light a torch that brighter glows through  
endless days.  
She might have lived a calm, sheltered life

She chose to climb by toilsome paths on weary feet  
 To lofty heights sublime  
 And there with living, searching eyes she  
 scanned the country round.  
 She saw people freed from Demon Rum's foul  
 rampant power;  
 Saw for world-enfranchised womanhood a larger,  
 wider sphere,  
 A higher plane for all the race  
 She saw in vision clear.  
 Yes, she might have won in easy ways a modicum  
 of fame,  
 But chose to climb. On mountain tops she carved  
 a deathless name.  
 On History's page, she won a place secure,  
 unique, apart,  
 She wrote upon the tablets of the world's  
 great heart.  
 Through all the future years will glow, with purer,  
 brighter sheen  
 The name of Frances Willard, our country's  
 uncrowned Queen.

—By Annie Durham Methim

When Miss Willard heard the call and saw God's clear plan unroll  
 for great events, an answering flame of zeal in her soul responded;  
 sensed the import of her own destiny, and she answered promptly,  
 "Here Lord, send me."

Seventy-five years ago Miss Willard came to Bloomington, Ill., and  
 built the Woman's Christian Temperance Union. This Jubilee year we  
 meet not to honor Miss Willard — we cannot do that, Miss Willard's  
 life and its attainments honor her more than anything we can do. We  
 can but praise her if we here today solemnly promise God to redouble  
 our efforts in each local and county, and forward together we lay plans  
 to hasten the day when liquor and its attendant evils will be abolished.  
 Today we are those who must carry on the struggle for God and home  
 and native land. If we are to accomplish, TOIL must be underlined.

To each one present here there comes the clear ringing call "Who  
 knows but you were called to the Kingdom for such a time as this?"  
 The battle is not done. God has need of leaders and followers in 1949  
 as surely as He did in 465 B.C. or 1874. The fields are still white and  
 the laborers are few. In this Jubilee year let each White Ribbon mem-  
 ber give thanks "God has matched her for this hour." Women of  
 Illinois, there is no time to lose, to rest, or postpone. Because of the  
 fearful cost in life, money, the destructive effect of liquor on our people  
 — the results of legalized liquor will continue to grow until the nation  
 will collapse — socially, politically and financially — unless the people  
 wake up and outlaw it entirely. No nation can survive so destructive  
 an institution.

"In all the realm of government and social economics  
 there is not a single item of industry or commerce that begins  
 to compare with the liquor traffic as a producer of commer-  
 cial, political and social waste.

"'Alcohol as Related to Taxation' so far as its beverage  
 form is concerned, is a prolific promoter of physical, moral  
 and financial disintegration. A colossal mirage and a financial  
 and intellectual myth, which waits only straight-forward  
 analysis and exposure of the facts to assure its repudiation  
 at the hands of an informed citizenship.'"

The liquor business is a business that lives at the expense of every other business. A parasite alike on society, business, the public, and the State itself. The liquor industry claims to aid the government by paying revenue. This is not true, as for every dollar in revenue received, the State must pay out many times that to take care of the results. The wets solemnly promised that the legalizing of liquor would bring social and financial benefits to the nation. After 15 years of drunkenness we have:

1. "The highest rate of Juvenile delinquency in our history.
2. The greatest period of crime ever known.
3. Venereal diseases so frightful in their prevalence that our health — medical "authorities" referring to one of them — Syphilis — said it is Public Enemy No. 1.
4. Instead of reducing taxes, we have the highest tax rate on record.
5. The largest public debt in the nation's history.
6. Sickening spectacles of corruption in foment.
7. The gloomiest post-war prospect of public morality that ever confronted our people.
8. Jails, penitentiaries, feeble-minded and insane asylums more crowded than ever before."

From 95% to 97% of "hit and run" accidents involve alcohol — these are the findings of the Committee on Alcohol in Relation to Traffic Accidents, reported by Lt. Frank M. Andrews of the Evanston Police Department in a talk given before the members of the National WCTU Workshop for 1949, at 1730 Chicago Avenue, Evanston on April 27.

Divorce rate continues to climb. One County in our State had 53 divorces to 100 marriages last year.

Unexplainable murders, where the guilty one simply says, "I had been drinking" are almost daily front page stories.

May 17, 1949, the Herald-American, in large type headlines said, "4 drinks led to shame, murder." Dr. O. H. Stevens of Steubenville, Ohio, says, "Liquor is the prime cause for child abandonment, children locked in homes, and living in hovels while parents carouse in saloons!"

Rape has become a National disgrace, almost 500,000 saloons contributing much of this condition. Judge Warlick of Greensboro Superior Court says 90% of the cases coming before him are directly or indirectly caused by liquor. Jeremiah must have seen some such condition when he cried out, "For among my people are found wicked men; they lay wait, as he that setteth snares; they set a trap, they catch men. As a cage is full of birds, so are their houses full of deceit; therefore they are become great, and waxen rich. They are waxen fat, they shine; yea, they overpass the deeds of the wicked; they judge not the cause, the cause of the fatherless, yet they prosper; and the right of the needy do they not judge." "Shall I not visit for these things?" saith the Lord; "shall not my soul be avenged on such a nation as this? A horrible thing is committed in the land; The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so; and what will ye do in the end thereof?" Jeremiah 5:26-31.

The Woman's Christian Temperance Union has stood fast through the years for total abstinence, clean living, and the outlawry of legalized liquor and its attendant evils. The wets direct their cruelest animosity, their sharpest ridicule against the W. C. T. U.

This 75th anniversary we will re-dedicate ourselves to the consummation of our objectives. We will continue to educate, organize, agitate and legislate. We will not slow down until public opinion drives the liquor trade out of the land as slavery has been driven out. We will repeat again the creed made by Miss Willard and adopted at the Cleveland Convention in November 1874, in which she said:

"Resolved, that, recognizing our cause, is and will be combatted by might, determined, and relentless forces, we will, turning to Him who is the Prince of Peace, meet argument with argument, misjustice with patience, determination with kindness, and all our difficulties and dangers with prayer."

There are many hurdles yet to be won. Among the immediate objectives is to secure passage of a law to outlaw liquor advertising. No writer of liquor ads has in mind help for the alcoholic or to warn the uninitiated what alcohol does. They are designed wholly to stimulate buying, to make new drinkers, and to increase sales among old customers, by appealing to women and children in the home; suggesting that to be a person of distinction, you must drink some certain brand of liquor. I saw a man not long ago who evidently had been fooled by this idea. He was leaning against a tavern near the door. He had to lean as he was too unsteady to stand alone. He was dirty, unshaved, ragged, bleary-eyed; he had a red nose and a very large waist line. I hope he was receiving pay as an advertiser of some brand of liquor sold inside the tavern. He was surely a fine advertisement; I fear, though, he had done the paying — a man of distinction on the way to Skid Row.

"Woe unto them that call evil good and good evil; that put darkness for light, and light for darkness; that put bitter for sweet and sweet for bitter." "Which justifieth the wicked for a reward, and taketh away the righteousness of the righteous from him." Isaiah 5:20-23.

There is the moth-eaten statement "You can't make people good by law." It is a loophole used by Wets and Near-Wets alike to combat prohibition.

God laid down laws to help people to be good.

Thou shalt not kill.

Thou shalt not steal.

Thou shalt not commit adultery.

Thou shalt not covet.

But thou shalt not sell intoxicating liquor is taking away personal liberty. What about the other four and personal liberty? No one will question these four have not deterred many from doing these things.

### MODERATION

Moderation is the stock in trade term used in defense and alibi of both the liquor traffic and its victims. But the thing to remember about "moderation" is this: Anything which is not good in itself, is not good when used in moderation. All agree it is not good to steal in moderation, to lie in moderation. Alcohol is harmful in small or large quantities and in no way beneficial used moderately.

"The moderate use of intoxicating liquors as a beverage is the great nursery of intemperance. It is your moderate drinker, your sober soaker, your one glass man, your one bottle man, who are the rivulets that supply the great stream of intemperance. Let the moderate drinkers at once abandon their use and there is an end of intemperance."

Judge Crampton in "Everybody's Monthly"—Ireland. Moderation opens the mouth to drunkenness, total abstinence closes it.

There were 2,300 women committed to insane asylums as alcoholics in 1946. So says the United States Census Bureau. There were only 493 so committed in 1932, the last complete year of Prohibition, so reports the News Bulletin of the Methodist Temperance Board. Seventy-five per cent of all hospital beds are filled with the mentally ill.

200,000 illegitimate children were born last year. The Christian concept of home and family, built up through 2000 years of Christian teaching, is being destroyed before our very eyes.

Another factor contributing to our present moral situation is the change in attitude in regard to sex in the last decade or two.

Sex has been exalted in modern life. It has been emphasized and exploited by the radio, in current magazines, in the movies, in the modern novel, and in the popular music of our day.

Our news-stands are glutted with sentimental exaggerated, romantic rubbish which exploits sex.

How can we open the eyes of our people, who are replacing genuine satisfaction of intelligent wholesome living, for false pleasures, which prove exciting for the moment, but carry the seeds of disaster?

The cocktail party; so gay and deceiving, has lured not only too many young people, but too many fathers and mothers into throwing their responsibilities to the four winds, wasting money that is needed for food and clothing for the family, and even their faith in each other.

How can we show these thoughtless citizens that they are paving the way for poverty, misery and a life void of true happiness because they have failed in reaching life as the challenge that it is?

### MEMBERSHIP

We must increase our membership to so great a number we will win attention of those in authority. Our increased membership helped to defeat Wet legislation in the last session of the Legislature. But there will be other bills next session just as much needing defeat and we will need to be building with this in mind. When we try winning an election in a Wet and Dry fight, we soon see how numbers count.

National is just as strong as the weakest union in the weakest State. One million members is not an impossibility in America. Fifty thousand women in Illinois is a possibility. It is a goal worth hanging up and striving for. It means only 2 years of each woman winning one, and you have gone over the goal.

There are ships that sail the ocean with rich  
merchandise in store;  
There are ships that carry passengers to many a  
welcoming shore;  
There are ships that seek adventure in the old land  
and the new,  
But the best ship is membership in the WCTU.  
It is built of stanch endeavor, and of purpose  
strong as steel,  
Love and Truth and Faith triumphant welded into  
hull and keel.  
Though not always smooth the sailing, though not  
always calm the sea,  
She rides the waves with never a doubt of her  
glorious destiny.  
Yes, many a ship sails an ocean, seeking joy or gain,  
But never a ship with a holier mission sailed the  
restless bounding main  
'Tis a pleasure ship, a treasure ship, and a ship  
of service, too,  
So get aboard the Member-ship of the W. C. T. U.

—Annie Durham Methrin.

President Hoover said, "The world moves forward on the feet of little children."

Building a program that would include the training of children was in the planning of those wise far-reaching women who built the Woman's Christian Temperance Union.

If each Union had a wide awake Child Welfare Director who would seek out every new mother in the community and introduce her to the

White Ribbon Recruit Plan, think of the many young women who would become interested in the Woman's Christian Temperance Union and be ready to carry on tomorrow. From the White Ribbon Recruits of today can be gleaned the L. T. L.'s and Y. T. C.'s of tomorrow.

### PROBLEMS

One of the greatest, perhaps I should say the greatest, problem is juvenile delinquency. It might be called a good sign that more and more people are becoming interested in the problems of youth and are taking necessary steps toward solving them. Youth seems to be the period of dangerous susceptibility as far as crime is concerned. From 80 to 85 per cent of the criminals in our jails got their start in their youth, and for the most part were products of broken homes and neglect. Let us never forget that our boys and girls are our collateral for our Nation's future greatness. It has been said that "Problem Homes" was the major cause for teen-age behavior. We all know that there are a number of factors that are vital in the upbringing of a child and of molding him into a good citizen. The most important of these are the home, the church, the school and the community. All of these play a vital part of influence on the child. The home is the environment to which a child is first exposed. Naturally the type of home is of great importance. In exact ratio to the horrifying increase in the number of alcoholics today, is the increase in the number of delinquent children — criminal children. The link between the women in the bar rooms and the increase in child crime is obvious; too many of the lady barflies are mothers; too many of them are drunkards. They are spending their time in saloons instead of at home with their children. The dead-end kid is one of two types; he is a complete introvert, convinced of his inferiority, sullen and on the defensive, or he is the belligerent extrovert, the attacker.

Children today are making the headlines not as prodigies but as killers. All too often they are victims of neglect at home. Hardly a day passes when some youngster of 10 or 15 does not shoot or stab or stone to death another youngster or otherwise commit murder. This would not be true, if they had the proper moral training, love, and attention at home. Good habits, such as personal neatness, punctuality, politeness, are largely imitative. The child who can't count on his mother for regular meals, for instance, soon feels that he is on his own. Loneliness embitters and toughens him. He no longer expects discipline or looks for guidance, and becomes a lone wolf, outside the law. Social work authorities unite in the statement there would be no child crime wave, far less juvenile delinquency, if there were more happy homes. Homes that are sanctuaries for all the family; for work, for play, for mutual help.

—Mary Erwin, Ohio.

#### "Hangmen's Noose Club"

In a dingy Chicago South Side basement recently, a 15-year old boy passed a rope around the neck of a three-year old neighbor. At some time thereafter he stuffed the child's body into an Army barracks bag and calmly went upstairs to bed.

The father of the boy killer was in his apartment above the scene of the tragedy — "In an intoxicated condition" according to police. The boy's mother had left him while she went off to the movies.

This boy's life has been shattered as surely as the life of the dead baby, yet society smugly pins the role of scapegoat on him and prepares to add to his disintegration. Parental drunkenness and desertion, suggestions of lurid comics, poverty, the thwarting of all decent ambitions — all these drive this boy into a basement room with a noose in his hand.

The state's attorney will ask for a murder or manslaughter indictment in the case. Conviction seems inevitable, in view of the boy's confession. He will spend his life, or the best part of it, in the state penitentiary, in reform schools, or in a mental hospital. A baby's horrible death will be avenged. The requirements of justice will be met. Or will they?

The state's attorney will prosecute millions of criminals without minutely curbing crime. There are over 3,000,000 persons in Chicago. There are over 7,000,000 people in Illinois. There are more than 147,000,000 citizens of the United States. What have they done to reform the conditions which led him into this disaster? What have they done to keep diseasing temptations from him?

What right has society to punish?

Until the day when some grand jury can bring indictments against all who lead youth astray, we are all members of a "Hangmen's Noose Club."

"I see tomorrow marching by  
On little children's feet;  
Within their forms and faces read  
Our Nation's prophesy complete.  
I see tomorrow look at me  
From little children's eyes  
And thought how carefully we'd teach  
If we were only wise."

The mountains wear away, the stars retire.  
Destruction lays earth's mighty cities low,  
And empires, states and dynasties expire,

—Author unknown.

### IN MEMORIAM

We pause to remember those who have left us since our last Convention, one year ago.

Hardly a Union but has been called upon to part with a faithful member; in some Unions more than one.

### THE MYSTIC ROLL

Day by day the number lessens,  
 Year by year they slip away,  
 To the unknown land, far distant,  
 In the realms of endless day.  
 Some have left us in the morning,  
 Some at noon-time took their flight,  
 Some in evening's twilight shadows,  
 Some in darkness of the night.  
 We shall miss them — ever miss them,  
 Miss their handclasps — words of cheer;  
 Miss their happy smiles of welcome,  
 That we knew when they were here.  
 But we hold them in sweet memory,  
 And we know that they are not dead;  
 To the heavenly land eternal  
 They've just slipt away ahead.  
 —Spencer M. Free, M.D.

We can remember them best if we fill their place with a new worker.

### ACCOMPLISHMENTS

Many new Unions have been built this year; disbanded Unions have been rebuilt.

We rejoiced because of the victories in the spring local option elections; the drys winning in 40 townships, the wets in none. 4300 new women have joined our ranks, adding their strength to ours.

Loyal Temperance Legions have been built. New Y. T. C.'s.

Sunday Schools and Churches are becoming more and more open to our appeal for their help

In God's word we read "The mean man shall be brought down and the might of man shall be humbled." Isaiah 5:15.

Let us look at the map of Illinois with its Unions and membership. Seventy-five years ago consecrated women began building Union by Union. It is due in a large measure to their efforts that we today have so fine a State organization. Shall we fail them, or will we go on to a still stronger and bigger State? All the benefits that we enjoy today are the results of efforts of some one who contributed their best to society. Henry Waldo Emerson said, "He who is great confers the most benefits, he who is base receives benefits and confers none."

The last 75 years represent one of the greatest eras in the history of mankind. We have moved from the oxcart to the Diesel engine train. From the sickle to the combine that cuts, threshes, and sacks the grain. From our clothing made by hand with needle and thimble to the ready to wear stores. Food ready in the automat — we need but push a button. We buy Sunday's paper Saturday night; world news on the hour every hour. Telephone, television, radio, and radar have become so common as to cause no comment. Aeroplanes out-fly birds. Two World Wars fought, not with guns and bayonets, but by submarines, atom and bacterial bombs. Science — mechanical, electrical, and in medicine — have run ahead of the wildest dreams of 75 years ago.

### THE PRESENT CRISIS

We are living, we are dwelling, in  
 a grand and awful time,  
 In an age on ages telling; to be living  
 is sublime.  
 Hark! the waking up of nations; God  
 and Magog to the fray!

Hark! what soundeth? 'Tis Creation  
 groaning for its latter day.  
 Will ye play, then, will ye dally, with  
 your music and your wine?  
 Up! It is Jehovah's rally; God's own  
 arm hath need of thine;  
 Hark! the onset! will ye fold your faith-  
 clad arms in lazy lock?  
 Up! Oh, up, thou drowsy soldier!  
 Worlds are charging to the shock.  
 Worlds are charging — heaven beholding;  
 thou hast but an hour to fight;  
 Now the blazoned cross unfolding, on,  
 right onward for the right!  
 On! let all the soul within you for the  
 truth's sake go abroad!  
 Strike! let every nerve and sinew tell  
 on ages; tell for God!

—Arthur Cleveland Coxe

Just before she died Miss Willard said, "There never have been such women as our White Ribboners, so large minded, such generous patriots, such Christians. We were set up to be patriots, we have had a great and beautiful past, and the people do not know it. They think we are fanatics. It has been a great fight; they will never know what we have been through. Oh, how I want our women to have a new concept of religion! We have fought amidst great ostracism." Then again she said, "Since organization is the sunglass which brings together scattered influences and effort, let us urge the formation of a Woman's Christian Temperance Union in every city, town, and village." These were among her last words over 50 years ago.

We have had great leaders — Mrs. Wittinmyer, Miss Willard, Lillian Stevens, Anna Gordon, Ella Boole, Ida B. Wise Smith, and last, but not least, our own Mrs. D. Leigh Colvin, who, for us, is First lady of W. C. T. U. — leadership we are proud to follow.

We will take up the slogan of the New Crusade and give our time, our talents, our money, and our energy to serve the present age.

"In the struggles with forces more cruel, ruthless and destructive than those with which our early leaders contended we are here as Christian American women and we are here to see it through to a successful finish."

—Outlook.

## President's Recommendations

### LEARN THE DEFINITION OF THE WOMAN'S CHRISTIAN TEMPERANCE UNION

The Women's Christian Temperance Union is an organization of Christian women banded together for the protection of the home, the abolition of the liquor traffic, and the triumph of Christ's Golden Rule in custom and in law.

The object for which the WCTU was organized was to unite the Christian women of the United States for the education of public sentiment to the standard of total abstinence from the use of all alcoholic liquors; to promote good citizenship and peace; and to prepare and publish such newspapers, periodicals, and other printed matter as may be desired to aid in achieving the object of the organization.

In order that we may better accomplish these goals, I recommend:

THAT we make definite plans for the organization of a local Union in every village, town, and city in the State, with dues paid by at least 5 members so that contact may be made by the county and state officers through the state paper and other periodicals;

THAT each local Union make a planned effort to increase the membership 10% before February 1, 1950;

THAT each local President promote the writing of letters to Erick Johnson, protesting unnecessary drinking scenes in moving pictures;

THAT at least 3 medal contests be held in each local Union;

THAT each local Union sponsor an L.T.L.;

THAT each local Union sponsor a Y.T.C.;

THAT individuals and Unions write editors, answering wet propaganda, giving reasons for the prohibition of the liquor traffic;

THAT each public college and high school library in the State, as nearly as possible, be supplied with a copy of "Where Prayer and Purpose Meet" local Unions promoting this as much as possible;

THAT we have a Department of Honorary Members with a Director in each Union; that each Union push this work, and that one meeting each year be in the hands of the Honorary Members;

THAT the November roll call be observed in each Union by an all day meeting, inviting not only all members to come and pay dues, but each member to make a determined effort to bring a guest; that the meeting be made so worth while the guests will become members;

THAT blotters be placed in all schools;

THAT we continue our plan of placing National leaflets in churches and schools at least twice during the year, beginning early this fall;

THAT each Union see that literature is distributed in homes, offices, factories, and in public meetings as much as possible;

THAT we continue our plan of fund raising as of last year, only using the name voted at National: "The New Crusade Fund," instead of "The Jubilee Fund";

THAT we secure signatures for the Langer-Bryson Bill to prohibit Federal liquor advertising in Inter-state commerce;

THAT we commend papers, magazines, picture houses, and radio stations which do not carry beer or liquor ads;

THAT we have 6 or more State Institutes during the year.

The liquor traffic is spending millions annually to condition the people to the acceptance of the traffic in alcoholic liquors as a lawful, respectable, necessary, socially accepted business.

This cold, psychological warfare against sobriety, decency, and the Christian home is a threat to the protection of our children and the perpetuity of the Nation itself.

We need to work now with desperate purpose and determination to meet this onslaught.

God is our refuge and strength; prayer our contact with the Almighty. Let us spend more time in prayer in our homes, in our Union meetings, in earnest supplication for Divine guidance and strength.

Prayer prevailed in the First Crusade; prayer will prevail in the New Crusade.

# REPORT OF CORRESPONDING SECRETARY

## TO-GETHER

Mrs. N. T. Palmer

Many places in the scriptures are found references to this word "to-gether." Let us look at some of them. In Psalms 34:3 we find these words, "O magnify the Lord with me, and let us exalt his name to-gether." Matthew 18:19, 20 presents this thought, "Again I say unto you, That if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my father which is in heaven. For where two or three are gathered to-gether in my name there am I in the midst of them." Probably the most dynamic thought is found in Romans 8:28, "And we know that all things work to-gether for good to them that love God, to them who are called according to his purpose."

You will agree with me, I am sure, that these thoughts are challenging, inspiring and encouraging. It is my firm belief that while it is proper to review and relate the activities of the past year, at the same time we must be thinking of the future if ours is to be a continued success. It is with this thought in mind that I give you these verses from the Scriptures. We are a group of Christian women banded to-gether in a great cause, and no sacrifice should be too great, no effort too hard if we are going to reach our goal. I know that all of us are going to consider our duty a privilege, and push on to heights never before attained.

New unions this year and their organizers are: New Burnside, Johnson County; Creal Springs, Williamson County; Rosiclare, Hardin County; Pankeyville, Saline County; Mt. Erie-Cisne, Wayne County; Junction, Gallatin County and Shawneetown, Gallatin County, Reorganized by Mrs. R. G. Putnam. Coleta, Whiteside County; Victoria, Knox County; and Robinson, Crawford County by Mrs. W. B. O'Neal. Caseyville, St. Clair County by Mrs. William Corwin; Heathsville, Crawford County by Mrs. Richardson and Mrs. Neely, and Roanoke, Woodford County by Mrs. Whistler; Long Creek, Macon County by Mrs. Bertha St. John; and Evergreen, Cook County by Mrs. Rosamond Davis.

There were fourteen new unions organized and two reorganized for a total of sixteen. 125 were Fruitful Unions and there were 375 Honorary members this year. Total dues paid were for 17,436 members, which included 155 YTC members. There were 4,522 new members received this year.

In our National Membership Campaign, Mrs. Helen Kalen of West Side Union, Rockford, secured 105 new members and received the pearl pin from our State President in recognition. Six members received a year's subscription to the Union Signal for securing twenty or more new members. Likewise, six members received the bar pin certificate from the National for securing twenty-five or more new members for the year.

Five fine meetings were held during the year for the unions in that particular section of the State. Mrs. W. B. O'Neal, State President, presided, and with the state officers and directors giving splendid talks relating to their work, the meetings were outstanding successes.

To Mrs. O'Neal, our president, and to all of our members who worked so hard to make this year an outstanding success we owe our sincere appreciation and heartiest congratulations. Dr. Mildred Young and Mrs. Faye Troth are worthy of our sincere thanks for the fine demonstrations and talks given by them in the schools and colleges throughout the State. ## CHILD WELFARE DEPARTMENT

Mrs. L. R. Marston, Director

THEME: Forward out of error, Forward into Light.

Aims: (1) To promote the welfare of children from birth to six years of age, enlisting them as White Ribbon Recruits; (2) To stress the importance of total abstinence in the home; (3) To cooperate with other groups working for the best interests of children.

## CHRISTIAN CITIZENSHIP

Mrs. (W. R.) Olive R. Wilson, State Director

As usual, the plan of work was sent out early in the year that the women might plan their Citizenship work for the year and more especially that difficult problems could be given ample time.

We are greatly encouraged by some very fine detailed reports which gives us a fair idea of the work being done in said unions and to these people we would say a very appreciative "thank you." In order to get proper results and reports we must keep everlastingly at this job and then keep reports up to date month by month. You will be surprised at the results.

We have a number of new Christian Citizenship directors and hope that by the end of this year we shall be able to report a surprisingly larger number.

I am happy to say that these seems to be an awakening among our WCTU people as to the importance of Christian Citizenship; its meaning in real life and its responsibilities. These people are realizing as never before the power of the vote and the importance of putting into offices the proper right-thinking people that our nation and our communities may function properly for the good of all the people concerned.

Scattered throughout the state there are women busy teaching the meaning of Christian Citizenship; its opportunities and obligations; that people everywhere may come to know its true value in our everyday social life. Also literature is being distributed among various groups and in some places special efforts are made to get it to Junior

High School people; Senators and Representatives are being bombarded with petitions and letters and commendations. Many of these women are watching more closely the jails in their respective communities and are doing splendid work among Juvenile Delinquents. City Councils have been persuaded to pass ordinances limiting the number of taverns in their towns and everywhere the tavern keeper knows that he is being watched.

I say again that this department has infinite possibilities and only hope that women of the WCTU over this great state will work and pray as never before that this accursed liquor traffic may this coming year know a great defeat.

Again my very sincere thanks to all who have made this report possible and who have conscientiously worked this year and may God's richest blessings be your reward.

## FLOWER MISSION

**Alice Finney, State Director**

Thanks to those 156 who reported and the 580 women participating in this work. Each is appreciated very much. Bureau, Crawford, DeKalb, DeWitt, Knox, Marion, McDonough and Randolph counties were 100% in reports. Several lacked only one report.

Reports show 5924 bouquets, 7641 cards and letters sent, 7099 visits made to individuals, 595 to institutions and 66 to foreigners.

Most important project of all — prayer groups formed — listed only 41. 114 bouquets in churches honored Frances Willard near her heavenly birthday while 205 honored others. 7 layettes,, \$10 and 950 garments were sent for mountain babies. Needy at home received 2630 garments.

To France went 2 afgans and 203 pounds of clothing. Germany was helped with 1 afgan and 2 comforters and 1 box of clothing.

1 afgan and \$343.69 were given to China for orphans.

School supplies, gift boxes, clothing and bedding were given to Korea.

Bibles, gift packages and 127 pounds of discarded hose helped Japan in more ways than we expected.

108 programs were given for this department and 153 new members were gained.

146 young mothers were contacted. Some became members.

Most directors listed visits, flowers, cards and letters as getting best results.

Other local projects listed included recreation for children, magazine subscription for invalid, Bible story books given, assistance to sick strangers, scrap books, drives, furniture, apple Santas, delicacies, various foods, candy, Christmas baskets and Christmas trees.

Parties or programs with refreshments or treats were favorites for homes of aged or infirm.

Good work, keep it up.

Some unions reported no work in this department — many others doing splendid work.

No union attained The Standard of Excellence.

Ways of using literature varied — Booklets were mailed to citizens during election campaigns and distributed from door to door. Leaflets were left in rest rooms, restaurants, parked cars, bus stations, home bureau institutes, literature racks, sent to jails, rescue missions, and hundreds passed out at County Fairs.

Posters in churches, scrap books made and sent to children's homes. Union Signals sent to ministers, libraries and high schools, Young Crusader sent to grade schools.

Powellton Union in Hancock County sent pounds of literature to St. Charles School for Boys.

"What the Bible Says," was used for temperance lessons. Saline County distributed 20,000 leaflets — door to door — and gave out 40,000 at their County Fair.

Belleville in St. Clair County used \$10.00 material in Daily Vacation Bible School, besides giving out several thousand leaflets.

Waukegan, Lake County, put 3000 blotters in their schools.

Wabash County used "Who Am I" leaflet for outside of packet including blotters, with a rubber band put them on handles of car doors at County Fair.

Your director and the Visual Education director attended Educational Exhibits at Macomb State-Teachers College and State-Teachers College in Normal, Illinois, in June — also county conventions — a Regional Conference — other meetings where we handed out approximately 25,000 leaflets.

Many letters and cards have been written besides sending the Promotions. On account of the high cost of postage the Bulletins have been sent out every other month — to as many as 200 people.

A PUBLICITY DEPARTMENT, is a MUST in WCTU work. Every Union should have a leader for this Department who is a willing, capable woman and one that will WORK. She should subscribe to the Union Signal and read it as well as the White Ribboner, State Report and Hand Book, searching other periodicals and factual literature, for paragraphic excerpts which may be incorporated in the local publicity work.

19. Washington, Illinois has Bible study groups, continuing under plan established by the Association of churches and parents, satisfactorily operating for 1949-1950; also cooperating in every way with the Religious Education Department of the WCTU.	

Many reports give no information or returned questionnaire. A plan to organize this department of Religious Education with definite policy program and goal on a national scale, is greatly needed.

14½ million boys and girls have no religious training. 26 million under 21 years of age have no religious training.

Keep in mind the 4,935 study pupils directly affected by Supreme Court's ban as reported from the Illinois Unions.

Signs of our time — A gradual awakening to the need and importance of definite instruction in Religion and morals.

Juvenile crime and delinquency directly traced to lax, indifferent, neglectful unmoral parents (without morals) note that this is not in the report.

The need of close cooperation between church, home and youth is acknowledged by ministers teachers, parents, law enforcement officials and conscientious citizens.

During the past year the Chicago Daily News has given front page prominence to the following book condensation — books with short accounts: Fulton Ousler's Life of Christ — Rev. Norman Vincent Peale — The Guide to Confident Living and Guide Posts giving life stories of great names in all fields of men and women who used the Christian Religion guide and inspiration to Daily Living.

## SCIENTIFIC TEMPERANCE INSTRUCTION

**Dr. Mildred E. Young, State Director**

Personal work: Attended 14 W.C.T.U. meetings. Talked at 3 W.C.T.U. meetings and 2 W.S.C.S. meetings and talked at 1 state conference; Visited 3 State Teachers Colleges and 1 University with exhibit of S. T. Educational Books; gave out 500 catalogs of materials and organization supplies; also gave out 2,500 helps to teachers in way of literature; Prepared exhibit for State Convention.

The women of Illinois have done more work than in previous years. At least more state reports were sent in. Number of reports sent in from local unions—75; lessons from a "Syllabus of Alcohol Education"—350; lessons in Church Schools—600; Conferences with teachers and school superintendents—100; motion pictures placed in schools—40; number of "Pioneer Girl" given—14.

Library Projects (14.85) given—3; "Teaching Plans" given—65; Union Signals placed in schools and libraries—110; Young Crusaders placed in schools and libraries—150; Films shown in schools—310; literature given out—4914 leaflets; blotters given to school children—8,000; Essay contests were held in two counties; one union reported a Medal Contest held; two unions studied, "What Alcohol Is and What It Does"; four unions reported that the S.T.I. directors are teachers.

The Plan of Work for 1949 and 1950 for the S.T.I. directors has been sent to everyone who is a county or local president, or an S.T.I. director. Personally, I think much more work was done in the State than has been reported. Do try to send in an accurate report for next year.

Let us all work hard — this is God's work. He has no hands but ours; and no feet but our feet.

## SPEECH CONTEST

**Mrs. John Bell, State Director**

"Train up a child in the way he should go; and when he is old, he will not depart from it"—Prov. 22:6.

Only 12 Counties in this great state of ours, reported any child training trough the speech department this past year. Clay Couny led with 55 contests — 4 diamond, 4 pearl, 5 gold, 5 silver, 20 bronze, 12 1st bar and 4 2nd bar.

Champaign County held 16, with Mrs. Wyninger reporting 8 and Mrs. Wolfe 8 — 1 gold, 2 silver, and 13 junior medals.

Cook County reported 3 junior contests; Crawford County reported 2 silver; DuPage County reported 2 silver; Franklin County reported 5 junior; Lake County reported 2 junior; and Fulton County reported 2 junior contests.

Marion County held 16 contests with Mrs. Rosa Thurman as leader — 5 silver, 2 gold, 2 pl., and 7 junior.

Peoria tied with Franklin by holding 5 — 2 gold, 1 silver, and 2 junior.

Saline County tied with Marion and Champaign. Their leader Mrs. Esther Gall reported — 1 diamond, 1 pearl, 1 gold, 2 silver and 11 juniors. All juniors medals were won in schools.

Tazewell County held 1 gold. Woodford 1 silver and 1 junior.

135 contests and programs were held — 30 were in schools.

Over 3,500 people, besides the many school children, were reached through this department by the spoken word with only 12 counties working. If every county had helped — see how much more could have been accomplished.

This is an Open Door, a great opportunity for teaching what alcohol is and what it does to our youth as well as the older ones. I beg each county president to appoint a leader for this department at once. Start the work now. Do not wait 'till the year is nearly gone. Or the door will be closed to many.

Miss Beverly Armstrong, the winner of the grand diamond, over in Indiana last fall, has been taking the message to all kinds of groups, young and old, such as high schools, church groups, men and women's clubs, young married groups, etc. She alone has reached over 2,000 people.

I have personally conducted the 55 contests reported by Clay County besides taking speakers to other towns and counties and making talks at conventions and institutes, in high and grade schools, also Sunday schools and church services. Let's join hands and work for a better report next year.

## TEMPERANCE AND MISSIONS DEPARTMENT

**Mrs. Pearl Reisacher, State Director**

LET YOUR LIGHT SO SHINE BEFORE MEN, THAT THEY MAY SEE YOUR GOOD WORKS AND GLORIFY YOUR FATHER WHICH IS IN HEAVEN. Matt. 5:16.

The Light Line Union plan was inspired by Laura Gerould Craig, and adopted by the National WCTU in 1926. The Temperance and Missions Department provides funds for the World's WCTU. A Light Line Union is a local WCTU which has paid \$5 for the World's WCTU and \$1.75 for a subscription to the Union Signal to be sent to a foreign missionary. Thus the local Unions may have a share in bringing the latest teachings of science and of temperance to people in South Africa, Italy, Belgium, France and many other places around the world.

At the National Convention in Portland, Oregon a resolution was passed which designated the relationships of Beacon Lights to Light Line Unions. Not only can locals share in this work now; but they can interest church societies or individuals outside of the WCTU, who are interested in world wide Social Service, to become Beacon Lights by the same method and thus share in world work.

Money that has been sent to the World's WCTU has increased each year, something over \$14,000 was raised last year. This is the foreign mission work of the WCTU; and merits support especially in countries devastated by war where our Temperance work suffered during World War II.

These dear sisters of ours need all the help we can give them, but they need also our prayers that they may be borne up with faith and hope. What a privilege to help in this great Work. The money we send in for Light Lines and Beacon Lights will help suffering humanity and extend the work of the World's WCTU until it reaches every land.

DeKalb, Whiteside, Washington and Kane Counties were all 100%. Every Local being a Light Line Union.

Moultrie and Montgomery Counties were 2nd in number of Light lines.

Litchfield Union was first having 4 Light Lines.

Mrs. Henning of Glen Ellyn (DuPage County) was the FIRST one to send in her report and received a special Light Line Certificate with our National Director's Picture on one side.

## VISUAL EDUCATION

**Mrs. John V. Troth, State Director**

The Visual Education Department work report is compiled from the reports sent in to me — 104. The work was presented to 125 local unions, 38 COUNTY Institutes, 32 COUNTY conventions, 10 original exhibits, 25 from supplied outlines; 14 booths at COUNTY FAIRS, 2 parade floats, Posters have been displayed 198 times with 297 original posters and 85 commercial ones. There are 26 Information Bureaus; 22 Unions or Counties own their own 35 MM film strip projectors and 120 film strips. Franklin and Christian counties have their own 16 MM sound projectors and 5 films, 5 counties have presented a sound film to the film library or to the school, 3 film strips were given, film strips have been shown 131 times and 255 movies have been shown.

At least 100,000 people have been reached by the films and exhibits and demonstrations and another 35,000 at the County Fairs, the 4-H, PTA, WSCS, Church, Sunday School, Lodge and store windows, etc. There were flannelgraphs, charts, liquor ads, and syllabus demonstrations used.

WABASH COUNTY had a booth at the county fair and distributed free tickets to the children one day for free drinks at their AMETHYST TABLE. They served 400.

SALINE COUNTY, Harrisburg Union spent \$32 for charts that were used in their own and neighboring schools.

WHITE COUNTY—Phillipstown Union had Arnold Carl Westphal 10 Temperance lessons on V. E.

CLARK COUNTY—Casey Union had a number of fine exhibits, cost outstanding of which was for the Jubilee Tea with a Frances Willard doll lamp extending the White Ribbon Bow to all the world.

MARION COUNTY—Centralia Union had special meetings at the Christmas vacation and at the close of the school term for the children with films for the children and they sponsored a poster contest; but we must ALL SALUTE ST. CLAIR COUNTY AND MRS. WILL CORWIN FOR THEIR SPLENDID PROGRAM. They had 9 sound films showing them 57 times, used the film strips in all their grade schools, had exhibits and the syllabus demonstrations, furnished materials for the Vacation Bible Schools, etc. They spent \$59.74 for the department. CONGRATULATIONS!

### My Personal Report

I worked in 45 places in 19 counties since the last convention and had to cancel a number of appointments because of the ice and 3 weeks service on the Petit jury in May. I spoke at 15 local union meetings, 5 County Institutes and 6 County conventions, 6 mass meetings, 2 Junior Church services, 5 Sunday School sessions, 16 church services, 3 local option campaigns, 2 PTA groups, 1 Home Bureau, 1 Rescue Mission, 2 Y. P. meetings, 1 Community Center, 1 State WCTU conference, 28 senior high schools, 4 junior high schools, 14 grade schools. I have shown films and film slides 91 times and made 1 radio broadcast in DeKalb. Had an exhibit at the Educational Exhibit for school boards, supts., teachers, students at Western State Teachers' College at Macomb and at the similar exhibit at the Illinois State Normal University at Normal, the WCTU Bloomington conference and the Springfield convention.

I attended the Regional Conference of the Temperance League of America in Springfield last November and spent 4 days at their Training School at Illinois Wesleyan in June, and expect to take the entire course next summer. I have traveled from Rockford to Wood River and from Kiothsburg to Casey. I must commend Mrs. Westberg, past Pekin president, Mrs. Speer of Aledo, Mrs. Rundle of Colchester, Mrs. Gallo-way of Bushnell, Mrs. Nordeen of DeKalb, and Mrs. Moats of Polo for the splendid way in which they had the schools scheduled when I worked for them.
